## Spring & Summer Lines Now Complete.

It would be well worth your while to come and see our stock now whether you are ready to buy or not. We have a great many lines of goods not shown elsewhere in this section and all priced as low as possible for reliable merchandise. You can get from us exclusive styles and materials for really less money than you will pay for just the ordinary kinds.

### Tailored Suits.

We are showing a great many very exclusive styles of suits made from new light weight materials from \$15 to \$40; mostly one of a kind. Nothing ordinary about any of these except the prices.

### Special \$10 Suits.

We have just placed on special sale to close about 35 odd suits, all of which are strictly man-tailored of best materials and all good, safe styles at \$10 for choice. These have been selling at \$20 to \$30. We can not promise how long this lot will be here, so we urge haste if interested.

### Silk Suits.

Silk Shirt Waist Suits made in very best manner and exclusive styles from \$10 to \$30; silk tailored suits from \$20 to \$40. The finer kinds of these suits are one of a kind and in buying these you will get just as distinctive individuality as if you paid some high price tailor three times as much to make you one.

### Separate Skirts.

We have just placed on special sale about 50 entirely new walking skirts made from high price, all-wool and mohair materials and in the most approved styles at \$5 for choice. Not one in the lot but what is worth \$7. They must be seen to be appreciated.

### Accordeon Skirts.

We have a great many entirely new ideas in accordeon skirts as well as the regular French accordeon, ranging in price according to style and materials from \$5 to \$20. These have made a great hit and as sure as you see them you will like them.

### Piece Silks.

More than 200 pieces of new silks to select from. Everything in plain, colored silks from 50c yard and upwards, fancy silks from 50c to \$1.50 suitable for waists, suits, etc. Some of our specialties are "Rajah" silks, "Clifton Bond Suiting" and "Ko-Koon" lining Taffetas. Be sure to see these when in our store next time.

### Muslin Shirt Waists.

Our new line of these has just been received and we believe they are the best possible. They begin at 50c for a neat style with all tucked front; other styles up to \$3 and all equally as good for the price.

### French Organdies.

We believe that there would be an immense demand for these dainty fabrics this season, as the styles now in vogue are especially adapted to Organdies. We laid in a great lot and they are selling fast. We have over 30 beautiful designs at 25c and a large line at 40c. Printed silk Organdies in a large range of patterns at 29c and 40c. Domestic real Organdie at 12 1/2c.

### Ladies' Furnishings.

New things in Neckwear constantly coming in at all prices from 10c up. An unusually large selection of new styles in Leather and Silk Girdles and Belts. Corsets to fit all shapes and sizes. Many special values in Summer knit vests and pants from 10c to \$3. Ladies' Muslin Underwear, better and cheaper than you ever saw it anywhere.
